the specification was filed on November 16, 1999  
United States Application Number 09/441,199

the specification was filed on \_\_\_\_\_ as PCT  
International Application Number \_\_\_\_\_; and was  
amended under PCT Article 19 on \_\_\_\_\_ (if applicable)

I hereby state that I have reviewed and understand the contents of the above identified specification,  
including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37,  
Code of Federal Regulations, §1.56.

I do not know and do not believe the same was ever known or used in the United States of America before  
my or our invention thereof, or patented or described in any printed publication in any country before my or  
our invention thereof or more than one year prior to this application, that the same was not in public use or  
on sale in the United States of America more than one year prior to this application, that the invention has not  
been patented or made the subject of an inventor's certificate issued before the date of this application in any  
country foreign to the United States of America on an application filed by me or my legal representatives or  
assigns more than twelve months (six months for designs) prior to this application, and that no application for  
patent or inventor's certificate on this invention has been filed in any country foreign to the United States of  
America prior to this application by me or my legal representatives or assigns, except as follows.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 (a)-(d) of any foreign  
application(s) for patent or inventor's certificate listed below and have also identified below any foreign  
application for patent or inventor's certificate having a filing date before that of the application on which  
priority is claimed:
